Green Flag

To get the Green Flag, we had to send a request to the foundation who runs the Green Flag. They sent an inspector to school who the Eco Committee met with. We took her all around the school to see the vegetable garden, the nature area, the front garden and many more places the school have developed. After that we went back to the library and we were asked some question about what the Eco Committee does. Written by Joey Adcock.

This flag has been years of hard work for Mrs Preston, the Eco Committee and the whole school. A huge well done to all involved!

Cycling

Some children from KS2 went to a cycling competition. When we arrived there was a team sprint which is where 4 cyclists went round in a line. After 1 lap the rider at the front exited the track. After the second lap the 2nd rider left the track and so on. There was also a cross country event where everyone went round an off road track.

Funding Award

We have been very fortunate to receive the news that we have been awarded £10,000 from the Lottery Funding for our new trim trail. A number of people have worked incredibly hard to secure us this funding and we are very grateful. Unfortunately the work cannot be completed during the Summer holidays but it has been booked in for the Autumn Term. We are very excited to see and use this new equipment.

New Gym Equipment

Over the half term holiday the new gym equipment has been installed. This has been purchased by the Findern Funding Committee. The School Council were involved in the decision making and the equipment was voted for by the whole school. Please can we remind parent/carers that this is not be used before or after school. This equipment does have a height restriction of 1.4m so children using this equipment need to be at this height or taller.

Sports Day

On Friday 6th July we will be holding our Sports Day. Ash, Elm and Fir will start Sports Day at 9:15 and finish around 11 am. Hazel, Larch, Oak and Willow will start their Sports Day at 1:30pm and will be finished by the end of the school day. All are welcome to join us on this day.

Ash Class Assembly

On Friday 15th June, Ash class held their annual Father's Day assembly. The children performed a song and played their own instruments made out of recycled materials. The children were so confident and spoke clearly. A huge thank you to all the parents and carers who attended your continued support is much appreciated. Have a great Father's Day!

Insect Repellent

This time of year we advise that children wear insect repellent or wristbands to avoid getting bitten.
